Plan of Action for Promoting a Quality Culture through IQAC Initiatives

Objective: To address the points discussed during the 10AC meeting held on 25-08-2023 and ensure the overall improvement of the college.

Action plan in for J.J.S. (Degree) College, Mihijam based on the points discussed in the IQAC meeting held on 25-08-2023

Audit of the Accounts Department (Completed):

The Accounts Department was audited to ensure transparency and accuracy in financial transactions. This audit was carried out during the current year, and necessary corrections and improvements were made based on the audit findings.

Updating Records of Every Department (Completed):

An effort was made to update records in every department. This included the revision of student records, faculty records, and departmental documentation.

Remedial Classes for Weak Students (Ongoing):

Teachers were requested to conduct remedial classes for weak students. This initiative has been an ongoing effort, with teachers providing additional support and guidance to help struggling students improve their academic performance. Regular progress assessments have been conducted to track improvements.

Curriculum Completion on Time (Achieved):

The college successfully ensured that the curriculum for all programs was completed on time. This was achieved through better planning and coordination among departments. As per the university academic calendar the curriculum for the past academic year was completed as scheduled.

Promotion of Classroom and External Activities (Ongoing):

Efforts to promote classroom and external activities for students have been ongoing. Various clubs, workshops, and extracurricular activities were organized to enhance students' overall development. This initiative has continued throughout the past year and will continue into the future.

Parents-Teachers Year-End Meeting (Completed):

The college conducted the annual parents-teachers year-end meeting as scheduled. This meeting provided an opportunity for parents and teachers to discuss students' progress and address any concerns. The meeting took place online, and feedback from both parents and teachers was collected and reviewed for further improvements.
